

# Day Program: Specialized Habilitation - Direct Support Professional

**Pay:** \$20.00 per hour

## **Job description:**

### Company Overview

More Maitri is an Art, Music, & Gaming Based Day Program seeking creative, driven, and caring Direct Support Professionals for Community Based Day Program Services.

<https://www.moremaitri.com/maitri-multi-media>

More Maitri is an Art, Music & Gaming based Day Program for adults with intellectual disabilities. More Maitri Day Program is devoted to incorporating a variety of art forms, methods, and mediums to encourage increased communication, coping, and expression skills, to build independence and a sense of community through individualized and group creative projects within the program itself and within the community. Maitri Multi Media also features a variety of game based approaches including dedicated spaces for Dungeons & Dragons and Retro gaming.

Day Program Direct Support Professionals supervise as well as encourage participants to engage in activities in the community. We strive to maintain a safe environment for our participants, their peers, ourselves, and the community at large.

\*\*More Maitri, Inc. will provide the Colorado state required training for the position listed including: QMAP (Medication Administration), CPR/First Aid, and CPI (Non-Violent Crisis Intervention)\*\*

\*\* This position requires transporting clients, so you must have a valid drivers license and a working & registered vehicle. We do reimburse for mileage!

### ADVANTAGES TO WORKING FOR MORE MAITRI, INC.:

We provide all training and certifications.

Guidance from administration, directors, managers and staff.

A great place to develop your creativity.

You get to do fun things!

### JOB RESPONSIBILITIES:

Daily documentation and tracking

Supervising and observing participants at all times to ensure their safety and to make sure they are not exhibiting harmful behavior to self or others

Teaching problem solving, conflict resolution and life skills

Transportation of participants into the community, to and from day program

Work with participants on projects with an understanding of each consumer's pace and developmental needs and the positive outcomes it will provide

Learn and use participants' historical information, behavior plans, and reoccurring trends as a tool to help their progress in achieving their goals

Facilitate group discussions and document engagement

Be creative, come up with new projects, ideas, tasks, etc. to engage in with participants

Take the lead, but allow room for your participants to direct their creative process
